RE: Fifth Annual Cancer Society of The Bahamas Charity Golf Tournament

Once again, the Golf Committee and the presenting sponsors, Colina Insurance and Odyssey Aviation feel very committed to seeing the work begin on the extension of the Cancer Caring Centre by hosting yet another Charity Golf Tournament to raise funds to get the Society to the last mile. The Golf Tournament will take place on the **10th of January, 2024**, at Baha Mar Royal Blue Golf Course.

Offering accommodations at no cost to persons diagnosed with cancer from the Family Islands has made a huge difference in so many lives; alleviating their financial strain of living expenses, not having to worry about transportation to and from their treatment or doctors' appointments and the peace of mind to have a quiet room of their own. Here is what Ms. K from Grand Bahama wrote about her experience:

"I wish to express my sincere appreciation to the Cancer Society of The Bahamas and in particular, the angels responsible for building this facility I now call 'home away from home'. I delayed starting my treatment because I could not afford a place to stay in Nassau and staying with family for such a long period was not a good option for my mental well being. I was elated and comforted when I checked into the Centre and began radiation treatment with a peace of mind".

Thank you for everything and God bless.

This is what the Caring Centre is all about, allowing the guests to relax with reduced stress, while on their journey to complete healing and recovery.

We appreciate your donations in the past and trust that you will support the mission and vision of the Cancer Society of The Bahamas once again.

Sincerely,

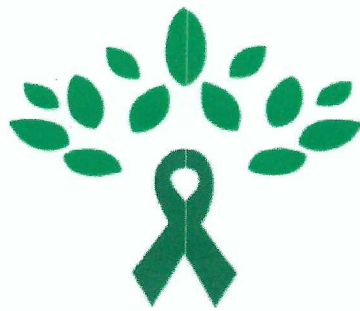

Katherine Elza
Co-Chairperson

Philip Andrews
Co-Chairperson

Family Island Branches:

Abaco, Freeport, Central Eleuthera, San Salvador, South Andros, Central Andros
North Andros, Cat Island, Exuma, Long Island, Mangrove Cay Andros and Bullocks Harbour, Berry Islands, Harbour Island

The Cancer Society of the Bahamas is a registered, non-profit, voluntary organization whose aims are: to educate the public about cancer so that it may be prevented, diagnosed and treated in its early stages; to be of service to cancer patients and their families; and to raise funds to support these programmes.
